About CATAGEN

CATAGEN is a carbon-negative company - our purpose is to clean and decarbonise the air. CATAGEN is a market expert in providing best-in-class emissions data to the automotive industry, providing physical and virtual testing of vehicle catalytic converters for the world's leading brands.

Values

ONE CATAGEN- We put 'we' before 'me' working across boundaries, holding each other accountable and working as a cohesive team.

FEARLESS- We challenge ourselves to push beyond what we think is possible by taking risks and learning new skills.

CUSTOMER OBSESSED- We actively engage, listen and learn from our customers, making it easy to work with us. We deliver solutions in a timely and accurate manner.

ECONOMICALLY DRIVEN- We're ambitious in our 'financial goals' whilst being prudent with resources. We respect that we are a corporate business whose first goal is to be financially secure and to grow and identify new opportunities.

SUSTAINABILITY- We built CATAGEN 'to clean and decarbonise the air', to impact climate change
